

DEEP ECOLOGY IN MANDARIN

Dear John:

I have good news to tell you.

First, basic webpages about your information are set up now.

Please check: http://eco.ecopsychology.tw/Action_john.htm

(This is under the website of "Ecopsychology Festival"

<http://eco.ecopsychology.tw/>)

I am not sure if your computer can read Chinese characters.

If you check the main page of your information, you will see from the top:

> your picture and some basic introduction about you and your trip to Taiwan

> linkages to your own website and to Wikipedia of your introduction

<http://www.rainforestinfo.org.au/deep-eco/johnseed.htm>

http://en.wikipedia.org/wiki/John_Seed

> 3 articles about your trip to Taiwan

first by Yih-Ren about how he met you and who are you

second by Datree about what he knew from your materials

third by me about what happened when you were in Taipei

> some linkages to related reports about your trip in Taiwan

> your own 3 articles about Taiwan (your English version)

> Manual of the Council of All Beings (not done yet)

This is just the beginning.

The manual still needs more time.

But these webpages will have more materials gradually.

So maybe you can tell your peers who need some Chinese introduction of you or the

Council of All Beings to know this website.

Anyway, keep in touch for further progress~
